

PRESS RELEASE

MYRKA DELLANOS AT THE DADELAND ROOMS TO GO SHOWROOM

San Jose, CA – June 23, 2007

Rooms To Go, America's leading furniture retailer, which proudly announced recently, a marketing partnership with Myrka Dellanos, organized a special event with the notable journalist at the Rooms To Go showroom in Dadeland, this past 14th of April from 1 to 5 PM.

Many people attended and they all got an opportunity to pick up an autographed photo of Myrka as well as browse Rooms To Go's spacious new mega showroom in Dadeland and see the latest home fashions.

While most Rooms To Go stores are free-standing buildings, this store is unique in that it is located on the first floor of a condominium residence, Tuscan Condos. Sophisticated, spacious and fashionable, this showroom offers the ultimate urban shopping experience in Miami. The showroom contains a large inventory of stylish furniture in multiple room settings with varied elevations and high ceilings. To further its commitment to the Hispanic community, Room To Go is donating 10% of Saturday's Dadeland sales to ASPIRA Florida, a community based organization that provides leadership development programs for Latino Youth. "The Organization and all of our team thanks Rooms To Go for such generous gesture and we assure that we will continue with our commitment of preparing a generation that will be the pride of our community," says Raul Martinez, President and CEO of Aspira.

About Rooms To Go: Founded in 1991, Florida based Rooms To Go has stores in nine states and is recognized as the top selling furniture retailer in the United States. Rooms To Go also operates Rooms To Go Kids, specializing in children's furniture, <http://www.roomstogo.com>. And <http://www.enespanol.roomstogo.com>

About Myrka Dellanos: For more than a decade, she has been embraced by over twenty million viewers throughout the United States and abroad as host of a leading Spanish-language television news program. In addition to her numerous accomplishments in journalism, Myrka takes pride in her many charitable and civic activities. Her involvement in initiatives like World Vision, Save the Children, Habitat for Humanity, the American Diabetes Foundation, and MROC International, which Myrka founded herself, in addition to being appointed by President George W. Bush to be part of the prestigious Freedom Corps, illustrates her dedication to inspiring and empowering those who are less fortunate.
